

Hertfordshire v London Captains

The Society were very privileged to have Richard Healy the London Captain present Bob Howell with a wonderful silver salver in recognition of our Golden jubilee in 2016. The London Captains was instrumental, back in 1966, in providing guidance to Hertfordshire in forming a County Captains Golf Society. Our Society remaining close friends ever since.

The Salver, at London's request, is presented to the winning team competing in the Society Match v Captains Club.
