Captain's Day

Tuesday 22nd April saw 74 members of the society arrive at a sunny West Herts Golf Club to celebrate the beginning of the societies golfing season and celebrate Gary Rees Captains Day at his home club before our AGM.

The field was full, and the day was a test for many but not for the top 6 members who all scored 37 points or more in a race to win The 1966 Cup and take a leap towards this year's R & A Quaich, this being the first of the 2 qualifiers for that competition.

After golf in decent weather, when the sun shone, we managed to avoid any rain and also the strong winds of recent weeks, we all sat down and enjoyed an excellent meal before prize giving and the results showed that for once the home club didn't dominate the prizes and maybe that is a tribute to the quality of the golf played by everyone. 4 different members won the nearest to the pin prizes on the par 3's which is not always the case and great to see.

The Past Captains prize, for the highest stableford score went to Brian Macdonald with 37 points which also saw him take 6th place overall. Just pipped to 5th on countback by John Annison. 38 points and a strong score for one of our longest serving members Bill Boniface saw him in fourth place and worth the trip from Middleton Hall, beaten on countback by John Aldridge. Second place went to John Roberts from Aldenham on 40 points but the winner of the day, was a local man, congratulations to Keith Stafford scoring 41 points, it might be his home club, but he played off 7, so 2 over par !
